### Introduction:

Dear Southwark Park Stakeholder,

We are writing to you because we have identified you as a person, or group, who may have an interest in Southwark Park, or activities that take place in the park. If you don't want to hear from us in future, please let us know and we will remove your contact details from our stakeholder register.

Southwark Council has received an application from an event organiser requesting to hold a four-day, ticketed music event in Southwark Park (north-side) in August 2026. To be compliant with the council's Outdoor Events Policy and event application process, we are consulting with park stakeholders so that they've the opportunity to comment on the application and event proposals if they want to.

All responses to the consultation will be recorded and a 'consultation findings report' will be published once all feedback has been reviewed. A number of teams from both the council and external agencies will be involved in reviewing the feedback, but we aim to publish the report as quickly as possible and by no later than 30 April 2026.

While individual responses may be referenced in the report, anything that might personally identify a respondent will be removed or redacted.

We aim to circulate details of the consultation to as many people as possible, in efforts to obtain the views and opinions of as many people as possible, so please feel free to pass on this information to anyone you think might be interested in taking part. To further raise awareness, we will also:

- Send letters to 3,624 residential and commercial properties around the park via Royal Mail from Thursday 26 February
- Post public notices around the park from Monday 2 March  
Leave a copy of the consultation documents at the parks office (when the office is open) from Monday 2 March
- Post information on the council's web page from Thursday 26 February:

<p><b>Community event</b></p>	<p>The RALLY Festival Series supports the delivery of the Bermondsey Carnival on Monday 31 August. This partnership is developing well and is now in its fourth year.</p> <p>The RALLY promoters provide use of the event site and all of the infrastructure used for the Carnival, free of charge, as well as providing professional support through the planning and delivery stages of the event.</p>
<p><b>Cultural collaborations</b></p>	<p>RALLY has an integrative approach to community engagement and charity partnerships, weaving local groups into the fabric of the festival to create agency and ownership of a shared space.</p> <p>Since its start, RALLY has partnered with a number of local collectives for music programming and art collaborations outside and within the site, including Southwark Park Gallery, Bermondsey Project Space, Disturbance, BOSCO x TATE Collective.</p> <p>The collaborations onsite have been with local LGBTQ+ arts collective Disturbance, with individual graduate artists from Goldsmiths University; the festival also supported workshops and an art installation by the young people at BOSCO college.</p>
<p><b>Charity partnerships</b></p>	<p>BOSCO is a local charity on Jamaica Road dedicated to improving the lives of young people and supporting the most vulnerable. BOSCO is one of RALLY's key charity partners.</p> <p>One of BOSCO college's champion initiatives - BOSCOFFEE provides young people with learning difficulties internship opportunities and business development skills managing the coffee trailer and cafe. In 2023 the RALLY promoters commissioned a renovation of their coffee trailer with a local artist and invited them to trade at the event (with 100% revenue retained). BOSCO returned in 2024 and 2025 to trade for 4 event days in a row. This growth in opportunity and relationship is central to RALLY's community engagement</p>

	<p>process. Each year they now provide work opportunities at the festival as well as generating income.</p> <p>RALLY also fundraises for Southwark Day Centre for Asylum Seekers - £7,488 since RALLY's first edition in 2023.</p>
<p><b>Trade and employment opportunities</b></p>	<p>Local employment opportunities will be advertised via the RALLY website <a href="#">Community   RALLY</a> and other local forums nearer to the event date - this will include inviting applications for bar &amp; ticket scanning staff. Any additional opportunities within the events team will also be advertised where a position needs to be filled.</p> <p>The Bermondsey Carnival will offer local trading opportunities for food traders, community and market stalls which will be advertised via their own channels and their own community outreach.</p>
<p><b>Income to support council services</b></p>	<p>The income generated by the site hire fee supports the cost of the council providing an Events service. The Events service supports the delivery of a grants programme and up to 100 free to attend community events per annum.</p>
<p><b>Income to support the Cultural Celebrations fund</b></p>	<p>The income generated by the site hire fee directly funds the council's Cultural Celebrations fund. The fund supports a number of outdoor events across the borough between 1 May and 31 March the following year. The council commissioned local filmmaker Razaq Kukoyi to follow some of the events supported in 2024:</p>

	<p><a href="#">Cultural Celebrations Fund 2024-2025 - YouTube</a></p> <p>This year, the fund will be supporting 17 free to attend community events across the borough.</p> <p><a href="#">Decision - Cultural Celebrations Fund Grants 2026/27 Funding Award Recommendations - Southwark Council</a></p>
<p><b>Income to support parks projects</b></p>	<p>An Environmental Impact Fee (EIF) is applied to all private and commercial event bookings. It is charged in addition to the site hire fee and the ground deposit, which is taken from the event operator. The EIF is ring-fenced to be spent directly on park projects.</p> <p>The income from the EIF in 2025 was spent on a seating area for girls.</p> <p>The income from the EIF from the RALLY event in 2024 funded an additional arm to the bubble aerator in the lake. The bubble aerator helps to oxygenate the lake for the benefit of the lake's wildlife.</p> <p>The money generated from the EIF in 2023 was put towards building a stumpery, which is located just past the boathouse. This is a wildlife feature and some ferns were planted around it too.</p>
<p><b>Stakeholder engagement</b></p>

<p><b>Safety Advisory Group (SAG) meetings</b></p>	<p>The event operators are required to present their event plans to Southwark’s Safety Advisory Group (SAG). The SAG is made up of key representatives from council departments, the Met Police, London Ambulance Service, London Fire Brigade and Transport for London. The event will not go ahead unless all members of the SAG agree with the event plans, which are relevant to their area of expertise.</p> <p>The schedule for SAG meetings is:</p> <ul style="list-style-type: none"> <li>• Thursday 12 February</li> <li>• Thursday 21 May</li> <li>• Thursday 23 July</li> </ul>
